

CEF & THE CHURCH

The Wordless Book colors

A Powerful Tool

These colors we teach in the Wordless Book can be found anywhere and used in various ways as a powerful tool for teaching and reaching children as well as adults. Face paint, balloons, visuals, even a watermelon can tell the story with great intrigue to children.

We train how to use the Wordless Book and its colors creatively to lead a child to Christ while keeping their attention and helping them remember these important points. A child can soon relay back in his/her own Words the story and treasure this Bible truth as they learn and grow.

We love to help!

CEF serves the church

CEF® is not a church, but is called to serve the church.

Child Evangelism Fellowship® is not a church. CEF® helps the church.

Our purpose is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to ESTABLISH (disciple) them in the Word of God and in a local church for Christian living. As we endeavor to reach children, we need the church (Christian volunteers) to help us carry this out and help new believers and their families find a home church where they can

A PARTNERSHIP DYNAMIC - NETWORKING FOR THE KINGDOM

Churches need the help of CEF to reach more children and CEF needs the local churches to be the home for these new believers.

continue to learn and grow in Christ. With participating volunteers who have churches they can invite these young, new believers to attend, we build the church - the bride of Christ - together!

CEF also provides

effective teacher training for Sunday School or Children's Church ministers including Teaching Children Effectively, classroom situations, ideas for games and offers wonderful curriculum and tools for teaching. Our Resource Center is open to the public - please see the article on the opposite this page.

Growing churches reach children. Children represent the highest potential for conversion and ministering to them is one way to attract adults.

Quality Teaching Materials

Boost your Sunday School, Children's Church, midweek children's programs and VBS with some of our materials. We have a wide selection of colorful flashcard and flocked Bible lessons, missionary stories, children's tracts and other outreach tools, song visuals, books, CDs, object lessons, training DVDs and more! These are materials that are only offered through CEF and unlike other children's materials produced for churches today, they are not dated and are reusable!

Many of our local churches do not realize that we are right here in Everett! We would love for your children's pastors and teachers to know more about what is available to them and hope that we can help be a catalyst to their ministry in reaching children.

God used CEF to reach 15.6 million children last year! In 2013 we shared the Gospel with this staggering amount of children around the world. This is a 46 percent increase over the children reached just two years ago. Of the 15.6 million children, 831,000 live in the United States; the rest are overseas—proof that this ministry is truly global in focus. Our curriculum can be used around the world and help your missionaries, too!

**If the GOSPEL is
your passion,
the 4/14 window
is open**

But for how long?

What is the 4/14 window?

The 4/14 Window refers to the demographic group from age four to fourteen years old, which is the most open and receptive to every form of spiritual and developmental input.

God is calling us to radically change the way we view children and to respond to their strategic importance and rightful place in His Kingdom. This often ignored and suffering people group can be transformed into a precious window of opportunity.

Two out of every three adults who are Christian made their decision to accept Christ as Savior before they reached the age 18. Approximately 85% of today's missionaries were saved as children. Today's youth - tomorrow's leaders!

YOUR SUPPORT is appreciated

Without our supporters who guard us with prayer, volunteering time and supplying finances, we could not continue this amazing ministry. On behalf of all of us here at CEF, I thank you for your participation in any manner.
